

Kansas Governor's Arts Awards *2011*

Requirements for Composer Nominations

For an artist, ensemble or collective residing in Kansas actively working in music composition.

Submit the following documents in the order listed (use this as your checklist):

____ **Completed nomination form**

____ **Two-page narrative description of the nominee's merits**, responding to items A through D outlined at the bottom of the nomination form

____ **One-page personal history or biography** of the nominee, written in narrative form

____ **Resume or vitae** of nominee

____ **Two letters of support**

____ **Required support materials**; include **at least one** or more of the following collated into each set of nomination materials:

- Published critical reviews
- Published articles either by the artist or about the artist (no self- or e-published submissions)
- A list of special awards, honors or commendations

____ **Composer Work Sample Index** - completed with titles of works included

____ **Work samples**; please see requirements below:

____ Three written scores

____ Recording

Work Sample Requirements for Composer:

- Eight identical hard copies of at least two written scores or excerpts from scores (i.e., a movement or a song) of three to five minutes in length. These must have been completed in the last five years and may be published or unpublished, hand-written or computer-generated.
- Eight identical audio CD's of the scores submitted, collated into each nomination packet. Recordings may be a performance or computer-generated.
- CD labels must be printed directly on the disk; CDs with adhesive labels will not be accepted.
